

Greetings from the City of Brantford

As Mayor of the City of Brantford, on behalf of my Council colleagues, I am so very pleased to extend warmest greetings to the Falun Dafa Association in celebration of your 26th Anniversary.

Your strong and determined commitment to the values of truthfulness, benevolence, forbearance, and the freedom of conscience and religion serve as a model for many in Canada and around the world. We commend you for your efforts to improve the mental, physical, and spiritual health of your practitioners, and I can assure you that the City of Brantford is pleased to be able to support your dedication as you endeavor to help serve the global community.

Sincerely,

Chris Friel
MAYOR
